

Order for long-term parking permits for bauma 2025 (Parking Garage)

Parking capacities at bauma are limited. We must therefore also limit the **maximum order quantity of long-term parking permits available for each exhibitor**.

Due to this limitation, we kindly ask you to also keep your request for the number of parking permits to the minimum necessary—regardless of the maximum possible order quantity.

The **order deadline** for long-term parking permits is **January 15, 2025**. Orders received after the deadline will be placed on a waiting list.

Please note that the scaling below serves only as a reference.

Main exhibitor hall area	
up to 20 m ²	1 long-term parking permit
up to 60 m ²	2 long-term parking permits

Co-exhibitors obtain 1 long-term parking permit.	

Parking permits will be **dispatched by APCOA Deutschland GmbH as of January 31, 2025** at the earliest. **The last shipment will be for orders received by**

- **March 20, 2025 – within Germany**
- **March 05, 2025 – within Europe / worldwide**

When allocating parking permits, we will ensure that you are allocated a parking space close to your stand (subject to availability).

Before ordering parking permits, please clarify the following points to reduce the order quantity to the required number:

- Use of public transport (MVV). For bauma 2025, use of the MVV public transport system is included in both the exhibitor ticket and visitor vouchers.
- Carpooling options
- Sharing of long-term parking permits in case of partial presence (only within the company). They may not be passed on to or sold to third parties.
- Self-organized staff shuttle buses from a hotel to the exhibition grounds.

If you have any further questions concerning bauma, please do not hesitate to contact us by phone or e-mail at +49 89 949 11728 / shop@bauma.de.

Thank you for your understanding.

With kind regards

You bauma Team
